► Exhibitors Comments :

VALVULAS FEVISA S.A.U - Spain

We came to meet the owners and operators and have met the right people who are the right decision makers. It is very important for us to be at OIL & GAS Tanzania and we will surely come back.

PORTWEST - United Kingdom:

The event provides a great opportunity for delegates to discuss and share ideas and knowledge and to view the latest technologies and methods."

Powerspot - Spain:

We decided to exhibit to further raise the profile within the region. In this respect the show was very successful for us. What we were particularly impressed with was the quality and quantity of the new contacts we made, and that many of them came from outside of the Tanzania.
